

The European Partnership for Energy and the Environment (EPEE), in collaboration with the Hungarian Monitoring and Certification Body for Refrigeration, is delighted to invite you to its event:

ECOCOOL'10 Conference

On 16th September 2010

**At the Danubius Hotel Flamenco
Tas vezér utca 7, 1113 Budapest, Hungary**

The final programme of the conference will be sent out soon

With Hungary taking over the Presidency of the European Union on 1st January 2011, this event will be a timely and unique opportunity to discuss the key environmental issues of the refrigeration, air-conditioning and heat pump industry at stake for EU consumers, businesses and politicians. It will also provide all parties with a better understanding of each other's positions and areas of mutual interest.
