

EPEE

Evropské společenství pro energii a životní prostředí, společně se Svazem chladicí a klimatizační techniky ČR a Společností pro techniku prostředí si Vás dovoluji pozvat na jejich první workshop pořádaný v Praze.

The European Partnership for Energy and the Environment (EPEE), in collaboration with the Czech Association for Cooling and Air Conditioning and the Society of Environmental Engineering, is delighted to invite you to its first workshop in Prague.

Energetická účinnost • změna klimatu • kontrola emisí Energy Efficiency • Climate Change • Emission Control

CONFERENCE

20. listopadu 2008

Clarion Congress Hotel Praha, Freyova 33, Praha 9, metro B, Vysočanská

20th November 2008

Clarion Congress Hotel Prague, Freyova 33, Prague 9, tube train B, Vysočanska

Jednacímí jazyky konference jsou čeština a angličtina se simultánním tlumočením.

The working languages are Czech and English, with simultaneous interpreting provided.

Záštitu nad konferencí převzalo / The conference will be held under the auspices of :

Ministerstvo životního prostředí
České republiky

Spolupředatel konference / Conference co organizer:

Svaz chladicí
a klimatizační techniky

Partneři konference / Conference partners:

proveletrhy

Mediální partneři konference / Conference media partners:

tzbinfo

PROGRAM

Time	Topic	Speakers	
9:00	Welcome and Registration		
9:30-9:35	Opening of the Conference	Friedrich P. Busch Director General EPEE, Brussels	
9.35-9:50	Introduction by the Conference Partners	Ing. Ivan Zahradka, Association for Cooling and Air Conditioning Prof. Ing. Karel Kabele, CSc., Society of Environmental Engineering František Holec, Czech Chamber of Commerce	
9:50-10:30	The EU Action Plan on Energy Efficiency	A Representative of the European Commission, Brussels	
	The role of Renewable Energy Sources in the fight against Climate Change	Ing. Vladimír Vlk Director, Dpt. of Sustainable Energy and Transport, Ministry of Environment, Prague	
	Potential impact of the Climate Change Package on the Czech industry	Ing. Roman Portužák, CSc. Director, Dpt. of Electricity Sector, Ministry of Industry and Trade, Prague	
	The contribution of the Czech Energy Regulatory Office to the promotion of Renewable Energy Resources	Ing. Josef Fiřt President, Energy Regulatory Office, Prague	
10.30-11:45	Panel Discussion I. Impact of Environmental Policies for Industry and Consumers	Moderated by: Russell Patten, EPEE Discussants: Ing. Vladimír Vlk, Ministry of Environment Ing. Roman Portužák, CSc., Ministry of Industry and Trade Ing. Josef Fiřt, Energy Regulatory Office František Holec, Czech Chamber of Commerce	
	The EU Regulatory Framework: F-Gas Regulation, MAC Directive, EuP, WEEE/ RoHS, EPBD	Tim Vink Chair of F-Gas Working Group, EPEE	
	National Implementation of the EU Legislation	Ing. Ivan Zahradka President, Association for Cooling and Air Conditioning, Prague	
	New Developments in Refrigeration	Rene Müller Managing Director Fluorine Products EMEA and India, Honeywell	
	Impact of F-Gas Regulation in relation to Cooling Technology for Food Sale	Ing. Michal Herda Technical Manager, Carrier CZ	
	11:45-12:15	Coffee Break	
	12:15-13:30	Panel Discussion II. Renewable Energy Sources and Technologies	Moderated by: Ing. Renata Straková, TZB-info, Prague Discussants: Ing. Josef Slováček, Czech Heat Pump Association Dr.-Ing. Norbert Kämmer, Emerson Climate Technologies GmbH Hilde Dhont, Environment Readiness Department, Daikin Doc. Ing. Jiří Hirš, CSc., University of Technology Brno
The EU Directive on Energy Performance of Buildings		Prof. Ing. Karel Kabele, CSc. President, Society of Environmental Engineering, Prague	
Heat Pumps: A Growing Market		Ing. Josef Slováček President, Czech Heat Pump Association, Prague	
Heat Pump Technologies		Dr.-Ing. Norbert Kämmer Vice President, Emerson Climate Technologies GmbH	
Renewable Energy Sources		Hilde Dhont Environment Readiness Department, Daikin	
Renewable Energy Sources: A Scientific View		Doc. Ing. Jiří Hirš, CSc. University of Technology Brno, Faculty of Civil Engineering	
13:30-14:00		Podium Discussion: "Energy Efficiency: A Win-Win Situation"	Moderated by: Russell Patten, EPEE
14:00-15:00	Lunch		

Free of charge, foregoing registration is necessary.
